We, your Committee on Education, beg leave to report the following: We believe and do teach that education is the hope of our country, especially the young of both sexes; that good and moral teachers should be employed in every community, and a good stock of moral training be gathered from every possible source, thereby qualifying the young for a higher sphere in life. We know and admit that education is improving in our denomination. We believe in education of the ministers, thereby qualifying them to meet the fast going age they are living in. Brethren, let us not be behind in the education of our young preachers. We recommend the Anderson system of sermonizing

to the ministers of this and sister Associations. Brothers, let us have an institute taught in the bounds of our Association as soon as possible.

Respectfully submitted,

JOHN T. HUGHES, Chairman.

The condition of our churches seems to be better than ever in the past, new Sunday schools being organized and prayer meetings being carried on, which means an increase of spirituality in the membership of our churches, and we recommend that each delegate go home with a determination that their respective churches keep up an evergreen Sunday school, also a regular prayer meeting, that we may have even a better report next year.

Respectfully submitted,

J. A. MONCRIEF, Chairman.

## REPORT ON TEMPERANCE.

Report on temperance read, received and adopted. Discussed by G. W. Turnham, J. V. Creel, J. T. Hughes, and A. J. Creel.

We, your Committee on Temperance, report as follows: We find that the cause of temperance is improving in our Association, for which we feel very grateful, though there are some lamentable exceptions. Intemperance includes not only the excess of drink; but brethren let us shrink from intemperance in every day life, while we walk, while we sleep, while we talk, while we eat, while we think, and especially while we drink.

The drink that's in the drunkard's bowl  
Is not the drink for me;  
It kills his body and his soul—  
How sad a sight is he.  
But there's a drink that God has given  
In measures large and free,  
Distilled in the showers of Heaven,  
Oh, that's the drink, that's the drink, for me.

GEO. W. TURNHAM, Chairman.

## SUNDAY SCHOOL REPORT.

The report on Sunday Schools was read, received and adopted. Discussed by William D. Shaw, J. V. Creel, J. E. Creel and J. T. Hughes.

We, your Committee on Sunday Schools, offer the following report: We find that some of our churches have failed to report a Sunday School. Why is this? We surely all agree as to the importance of Sunday Schools. Next to preaching the sacred word we would place the work of the Sunday School. It is the means of bringing up our children in the fear and admonition of the Lord. It fits them for future membership in our churches and may be the means of preparing their souls for Heaven and immortal glory. It helps us to be more active members in our churches and better soldiers for the cause of Christ. Then let us urge upon our churches to take up this all important work. Let each church adopt some plan by which the Sunday School can be carried on from year to year. Place efficient teachers

over the classes and put good literature in their hands, and the result will be the unclogging of the wheels of Zion and the unfurling of her banner to the breezes of the nation, and an ingathering of souls in the great harvest of the Lord. May we consider well, if we are lost it is God's loss. Hoping that the spirit of Sunday School and mission may enter every home and heart of all christians is the prayer of your Committee.

W. D. SHAW and W. E. SPRADLING.

Moved, seconded and granted that County Line Church be given a letter of dismission from this Association.

Called the Association to meet with Chalcedonia Church in 1899, and on motion request was granted.

Elected Rev. Jas. A Moncrief to preach the introductory sermon at the next session of this body, with John T. Hughes, alternate; Wm. D. Shaw to preach a missionary sermon, with Thomas Carr, alternate.

#### RESOLUTION OF THANKS.

*Be it resolved*, That this body tender thanks to this church and community for their kindness to us during our stay with them, and that we pray God's blessings on them.

The business of the Association being finished it was dismissed by Rev. W. D. Shaw.

Sunday, 11 a. m., missionary sermon by Rev. G. S. Sloan from Exodus 10:xxii. Collection received \$6.74—half to be sent to Orphans' Home and the other for home missions.

G. A. SLOAN, Moderator.
